

Sending a Hug

Supplies Needed:
String
Paper
Marker
Scissors
Tape

After seeing porcupine and snake share a hug lets create a hug you can share with someone safely.

Step 1: Use a marker to trace an outline of both of your hands on to a piece of paper.

Step 2: Cut out each of your hands (separately) and tape on the string, attaching one end to each hand.

Step 3: Write a special message on the hands and then your are ready to send to your hug!
